Dorothy hails from a small mountain town, but even the weather there is cooler than her sexual temperature. She decided to move to a warmer climate, by the ocean.

Dorothy

One day she was walking along the beach as John got a glimpse of her on his daily walk. She was in her sexy pink dress and he walked up and talked to her. She was really outgoing and adventurous so we asked if she would consider doing photos and a video. She agreed and here they are!

PAM'S PRESENT

On my fortieth birthday, my boyfriend, Justin, said he had something really special for me. I was so excited—we'd been dating for a year but hadn't gotten too heavy because of my age. But now I was ready, and I wanted to be fucked by my cute, blond, 20-year-old boyfriend.

We went to a nice restaurant, where we sat side by side. Justin was the perfect gentleman. Finally I slid one of his hands onto my thigh, and he got the picture. He stroked my leg, then inched his fingers upward. Imagine his surprise when he discovered I wasn't wearing any panties. For a moment, his hand covered my shaved mound. Then Justin thrust his middle finger right into my wet box!

"Oooo," I said, squirming. He grinned, then pistoned his slick finger in and out of my box. "Ooooo," I said again.

"Is everything all right?" the waiter asked. "Does the young lady need anything?"

"I'm gettin' it right now!" I said, panting.

Justin winked at the waiter, who whispered something to his co-workers, and they all watched as Justin fingerfucked me. It was so cool having an audience that I didn't care who saw what. I was hot! I leaned back and spread

In love with Brandi Love!

Thank you for responding to my letter to see more of Brandi Love. I'm so hot for her, I almost creamed my pants when I walked by your issue on the newsstand. All I could see was her face behind the plastic, but I instantly knew who it was. I bought two copies. You know, one for now and one for later. When I got home, I tore the bag open and there she was in all her amazing body-splendor. After thumbing through the other lovelies in the issue, I reached Brandi. The photos were nice, and they made her look spectacular. I don't know her age, or really care, but she looks marvelous. I appreciate the fact that she keeps herself in such great shape. I'm sure that make her look, and probably feel, younger. Anyway, I'll keep an eye out for the next time I see her on the cover. Thank her again for making my day, today and everyday.

—Bryan B, Boise

my legs wide, as Justin slid another finger inside my pussy. His thumb was diddling my clit while his fingers pumped me good.

Well, he'd gotten me so wired up I could barely finish my meal. When we left the restaurant, our waiter smiled at me and blew a kiss. I just grinned and twitched my butt. My whole body tingled; I could hardly wait.

Once we were back in his apartment, Justin gave me a small box. In it were the most beautiful garnet earrings. He put them on me, then kissed me. Then he slowly undressed me.

He took off his shirt and then unzipped his jeans, and for the first time I saw his cock—god, it was huge and thick! I watched Justin stroke his cock until it thrust upward at an impossible angle. I could see a little drop of dew glistening on its purple head. He kissed my small breasts, tonguing my pink nipples. My love liquid was oozing down my legs as I moaned and ground my pelvis against his. Enough of this! I wanted to fuck!

Justin put me on the bed, then settled between my legs. He licked my puffy lips, his tongue darting in and out. He really ate my pussy good! I writhed and came not one but three times, smearing my juices all over his face.

"Thank you, Justin,"

I said, panting, a sheen of perspiration on my pert little titties. "That was a wonderful present."

He grinned. "That's not it, sweetie."

"No?"

He instructed me to get on all fours. Then he reached over and pinched and pulled my tits, making my nipples really long. I really liked it and groaned with pleasure. I twitched my hips, and he stroked my thighs, my hips, my ass. Then Justin took his big cock and slid it along my pussy-lips. I was so wet that I know I dripped juices all over him.

Bending down, Justin softly kissed each cheek. He ran his tongue over my ass-cheeks, then trailed between them to my little puckerbud, which he began licking. I was really humming by then—my whole body vibrated. He pushed his tongue inside my ass, and I gasped. In the meantime he slid a finger deep inside my pussy. God, with his tongue in my ass and his finger fucking my pussy, I just came instantly.

Justin rubbed my honey all over my butt, then slowly licked it off. I was leaning on my elbows by now, my butt sticking straight up in the air. My boyfriend trailed his fingers across my ass-cheeks, then into my aching pussy again. Then he spread my ass-cheeks apart and rubbed my pussy-juice all over my asshole. "This is your present, Pam."

I felt something big and hard nudging my ass, and I knew that Justin was going to take my cherry—but my butt cherry. That really turned me on! I had never

even thought about doing something like this—it seemed so forbidden or something. Way cool!

I was so tight back there—I didn't think his cock would fit and told him so. Justin just laughed.

"Believe me, Pammie, it'll fit." He grunted as he inched his cock slowly into my little butt. It hurt at first, but after a while I realized how good it felt. He just filled me up completely. Finally, he was all the way in. He pulled back out a bit, then slammed his cock inside my back channel. Then Justin began fucking my ass, and it was fantastic—he jabbed and rammed and thrust deep and twisted and tweaked my nipples. His balls were slapping against my ass-cheeks as he fucked me with long, powerful strokes. As he diddled my clit and my pussy, I came. Then, minutes later, I came a second time.

My cry of release really turned Justin on, and he slammed deep inside

me, then said, "Oh god, I'm gonna come, baby!"

He kept thrusting until suddenly I felt his hot jizz shooting up my ass. He creamed me good, and there was so much, I couldn't hold it all. It dripped out of me while Justin continued fucking my little virgin ass. Finally he collapsed on me, his cock still buried between my ass-cheeks.

Believe me, we were pretty sticky, and Justin suggested we do something about it—which meant I rolled over and wrapped my legs around his neck, and he fucked my ass from the front. That was cool, too, 'cause he got to suck my titties then.

You know, I like this ass-fucking so much I never want to have a cock in my pussy. Well, maybe....

BOLD-N-BAD

Actually, the whole thing was Ceci's idea, which figures because she's

always coming up with these outrageous things. You see, she wanted us—two 18-year-olds fresh out of high school—to seduce an older guy, and then have sex with him at the same time!

I'd never been in a threesome before, although Ceci claims she has. Ceci's my best friend, and we look almost alike, which I guess is a big turn-on for some guys.

It certainly was for the guy we decided on. We saw him in a store at the mall, and Ceci started chatting with him. Then I came up, and his eyes just widened when he saw the two of us together: with bright blue eyes, the swell of our perky little tits just peeping above our low-cut tops, our curvy asses encased in tight shorts. I just happened to glance down at his crotch and saw that he had quite a boner there.

The guy, who was maybe 50 or a little older—introduced himself as Mark. He was tall, with salt-n-pepper hair, grey eyes, and a muscular build.

"I'm Ceci, and this is Chloe."

"Cute names," he said.

"Cute girls," she said, leaning into him so that her tits pressed against him. Ceci was such a flirt!

"So, what are you girls doing tonight?" he asked.

"You," Ceci said and squeezed his hard-on. "We hope."

His grinned widened. "Let's go back to my house."

We followed Mark's car to a really nice suburban

neighborhood. Once inside his place, we all settled in the huge front room. He had stereo equipment like you wouldn't believe, and he put on some quiet jazz. It was kind of sexy. He and Ceci danced for a while, and all the time, he kissed her and ran his hands over her body. She moaned softly, especially when he started tonguing her nipples through her top. The material clung wetly to her tits, outlining her hard nubbins.

"C'mon, Chloe," he said. I joined them, and he danced with both of us, his mouth on Ceci's nipples, his hand slipping inside my shorts. He fondled my mound, caressing it softly. It wasn't long before I was moaning, too.

He took each of us by the hand and led us back to the king-sized bed in the bedroom. Ceci fell back onto the bed, and instantly Mark knelt in front of her. He pulled her shorts off and stared at her shaved pussy. He touched Ceci's slick skin. "You girls are just gorgeous."

"Thanks," I said. I came up behind him and started running my hands over his chest, then slipped my hands down inside his pants and played with his cock. He bent his head down and started to lick Ceci's smooth pussy. Ceci is always wet, and she came almost instantly. He kept tonguing her, and she came again.

In the meantime, his cock was getting bigger and bigger with the help of my hands. Mark stood up

and quickly stripped, then took our clothes off and guided us onto the bed. "Hmmmm, how are we gonna work this?"

We giggled. "Well," Ceci said, "you could fuck one of us in the pussy—or the ass—and then you could be eating the other girl's pussy."

"You're very clever," Mark said with a sly grin. "Or one of you could suck my cock while I eat the other out."

"Yum," Ceci said, and bounced down the bed until she reached his hardening cock. She wrapped her lips around his cock, while I positioned myself over his face. He brought his tongue up to my little pink palace and began licking me. His tongue felt so good. I'd played around before, but hey, those were boys, and this was a man. And he really knew what he was doing. He quickly

brought me to a climax—and then still another! I could hardly believe it.

His cock was huge now, and Ceci's head was really pistonning up and down it, slathering it with her saliva. Suddenly he came, his jism spurting inside Ceci's mouth. She licked and sucked and swallowed as much of it as she could, but it streamed out of her mouth. I leaned over and started licking the cum dripping out of her lips.

"Oh, yeah," Mark said, watching me lick her face. His cock was in his hand now and he was stroking it furiously. "Lick her some more."

I moved my lips down to Ceci's tits and sucked her little titties until the nipples were hard as pebbles. I played with her shaved pussy, fingering her clit.

Something bumped at my ass-cheeks, and I

looked around to see Mark pulling them apart. Slowly he inched that big cock inside my virgin ass. I grunted. I felt so full! I shifted my mouth down to Ceci's hot, wet pussy and started licking her sweet honey while Mark reamed my ass. He thrust fast, then drew out slowly, then rammed that big, meaty tool deep within me. God, I loved the feel of his cock inside my ass!

As I tongue-fucked Ceci, she slipped a finger inside my wet pussy, then another—then a third!—and fingerfucked me. I came just as she did, and not a moment later Mark spurted his cum high up into my ass. He really could produce a lot of jism, and there was just too much for my ass to take. Some of it dribbled out onto my legs.

"Yum," Ceci said, and she shifted around to lick the cum off my legs.

That set us off on another round of fast and furious fucking. I think I got fucked in the pussy then, while Mark ate Ceci—or was that the other way around? There were so many different combinations to try—and we tried them all that night, and then started doing them all over again!

If anyone wants to know the proper definition of a honeymoon, it's that brief but cherished period between 'I do' and 'You'd better!'

The girl jumped out of the cake to surprise the guys...

surprise

BUT SHE WAS THE ONE THAT GOT THE SURPRISE!

It's such a corny old routine—a girl jumping out of a cake at a bachelor party. Surprise—it's not a real cake! Ha ha. Like anyone's really surprised by that. If anyone is surprised, it's me...that that old number is still being done, that girls are still jumping out of fake cakes and doing sexy routines for the guys.

I hear that in the old days, such entertainment consisted only of a sexy, suggestive dance. Today's dancers, of course, go much further. This is 2020. Most of us strip all the way, or at least down to a G-string; many of us do lap dances.

But there are still some surprises in this ages-old business. Last weekend it was my turn to be surprised.

The reception was being held in a private banquet room. It was your typical last-stand-before-marriage bachelor party, with a bunch of only reasonably rowdy pals egging on the groom-to-be, who didn't seem to be interested in his Final Fling. He seemed committed to monogamy already. All in all, it seemed a pretty tame bunch. I thought the evening was going to be uneventful.

Well, I've been wrong before, and I'll be wrong again.

I was still early in my routine, dancing and wriggling, still with most of my clothes on, when the door to the private room opened. A girl walked in. "Hey, got room for one more? It's my last night of freedom too!" she sang out.

Several heads whipped around to look, mine included. But then, I was looking not only because I was surprised at her presence but because I was taken with her striking good looks.

The girl—I assumed, from what she had said,

that she was the bride-to-be—was wearing a black leather jumpsuit that fit her slim but busty body like a second skin. It was unzipped to just below the tops of her breasts, and a hint of cleavage was showing. On her feet, she wore high-heeled, sling-back pumps of red leather. And her hands were encased in tight red leather gloves.

The groom seemed the least surprised—or upset—by her presence of any of the guys there. "Come, sit!" he beamed, jumping up to grab an empty chair and squeeze it in next to his. She slithered across the room and took her place next to her about-to-be-husband. I continued my dance, with one eye on the sexpot sitting a kiss's distance away from me.

Distracted by the creamy swell of her breasts, I momentarily hesitated in my routine. My initial concern had been that she was there to put the kibosh on my act—or, that her presence would have that effect. Now it seemed I was messing up the act on my own, just because of her presence in the room.

What made me even more distracted was the fact that, as I steamily swayed to the canned music, thrusting my hips out more and more lewdly, the auburn-haired, busty beauty seemed more enraptured than any of the guys were. And when I finally got

to the point in my act where I was down to a G-string and pasties, and ready to mingle with the audience, I wondered what I was supposed to do about her.

She settled the question for me. As I was toying with the groom-to-be, the bride suggestively peeled one glove off, then put her long, manicured fingernails to the top of the swell of my breast and languid-

BLAIR-NTS-09

I petted the sleek slope of her generous boob as I neared the nipple and finally reached that stiffened promontory. Under my touch, her nipple grew rigid. I thumbed it, causing her to tremble and cry out.

ly trailed her way down the swell of my boob-flesh. I shivered. I couldn't help myself.

"Do you like leather?" she asked in so husky a voice that you could hear smoke and velvet in it. Then she put her still-gloved other hand to my crotch and slowly stroked it across. Next she put that gloved hand to my nose. "Like the smell?" she husked teasingly.

I looked at the auburn beauty and bumped my pelvis forward, toward her.

"I prefer my parties private," she purred so softly I could barely hear her. "Are you almost finished here?" Then she stuffed a \$10 bill in my G-string, her fingers lingering between my lust-puffed labes. "I have a van parked out back," she added, "with tinted windows and plenty of privacy. Or we could go back to my place."

"Y-your place," I gulped.

"Hurry up and finish," she urged, giving me a dazzling smile and a pat on the rump. Then she brazenly pulled her zipper down a bit farther, so that her creamy boobs pushed to escape their leathery confines.

Never have I wrapped up my act so quickly. When we got back to the seductress's house, she finally introduced herself to me. "Maureen...but my friends call me Reenie."

"Meg," I gulped in return, watching as she slowly, teasingly pulled the zipper down the rest of the way, exposing her cinnamon nipples, her innie bellybutton, and finally her trimmed pubic patch, a darker shade than the hair on her head and trimmed into a heart shape.

"Lick it," she suggested as she stepped out of the jumpsuit—all she had been wearing besides the shoes and gloves. I had put on a coat over my G-string, not taking the time to get dressed, and now I threw off the coat and G-string and sank to my knees, burying my face in her heart-shaped muff.

The odor of her musk overpowered me as I thrust my tongue into her slit and began to lick her juice-drenched trench. "Mmmm," Reenie groaned, thrusting her pelvis sharply forward and thoroughly wetting my face. "Yes, honey, yes," she urged throatily, putting a hand to my head. "You do know how to eat pussy."

I had never licked out a slit as tasty or tempting as Reenie's. I curled my tongue around her plump grape of a clit and stroked that exquisite come-button sensuously while Reenie writhed and groaned. She was

mewling little, urgent "Oh's" in quick succession, and I felt that she was close to coming.

One of my hands stealthily crept its way up her front. As I fingerwalked up her flat tummy, her midriff, and finally the cleft between her breasts, I felt her trembling, felt the soft suppleness of her skin and the tautness of the muscles underneath, tensed in extreme sexual need, but above all I felt the shivering and tension that possessed her body as she stood on shaky legs, straining to come.

My hand now found her left boob, stroking the soft flesh and seeking out the nipple. I petted the sleek slope of her generous boob as I neared the nipple and

finally reached that stiffened promontory. Under my touch, her nipple grew rigid, wrinkled, hard as oak. I thumbed it, causing her to tremble and cry out.

Her mewling "Oh's" turned into a series of panted, desperate groans, and then she started saying, "Yes! Yes! Yes! Yes!" and breathing hard. I found this so erotic that my free hand went unthinkingly to my own pussy and began to stroke my engorged, needful clit as I continued licking her pussy and stroking her breast.

My finger was as juice-drenched from my own pussy as my face was from hers. Her love fluids streamed across my face, and mine coated my sticky, stinky finger. I scarfed down as much of her outpouring as I could, enjoying the rich, winey flavor of her. Then her rhythms changed—the rhythm of her moaning and the rhythm of her tensed, swaying body—and I knew she was about to peak.

I could hardly speak to encourage her, but I grunted out my encouragement with a series of

That mouth was wonderful, alternately sucking my boob to the back of her mouth and tongue-swirling around the nipple to torment my achy pussy.

“Mmmmf”s. “Mmmmf! Mmmmmf! Mmmmf!” I kept grunting as she neared her peak, then screamed in utter, body-rattling orgasm, and tumbled to the floor on legs too weakened to hold her up any longer. I stayed right with her, repositioning myself on the floor where she had landed and continuing to slurp out her juicy pussy as she lay there quivering in the throes of a delicious orgasm.

She was not so kind to me. I had given her immediate gratification; she delayed mine. When she was finally able to do anything more than lie there on the floor, panting her exhaustion and purring her satisfaction, she latched on to one of my breasts and began to suck. I sighed with pleasure as she swirled her tongue around my rigid cherry nipple, but though I expected her to move quickly to my pussy, she deliberately delayed.

That mouth was wonderful, alternately sucking my boob to the back of her mouth and tongue-swirling around the nipple to torment my achy pussy. But at no point did she actually touch my pussy directly. Even when she finally decided she had had enough of the delicious torment, she still teased me further. Tonguing her way down my body, she licked from nipple to nipple down to bellybutton down to where my pussybush should be...and stopped.

Unlike her pussy, mine is almost completely shaven. I have a narrow line of pussyfur running the length of each of my two labia, but otherwise my pussy is denuded. Reenie tongued to where my bush should have started...and then worked her way back up. I groaned with frustration and disappointment, but she only laughed and said, “Patience is a virtue.”

I guess I’m not very virtuous; I certainly wasn’t feeling very patient. And when Reenie worked her way back up, tongue-travelling back to my boobs and leaving my poor pussy in the lurch, I groaned and tried to push her head back down to my pussy. But she laughed and eluded me.

At length she got up, and I wondered what she was doing. I heard her scampering down a hallway; in a minute she returned with long, fast strides, heading toward where I lay, a whimpering mess of need on the floor. Then she flicked a switch and turned on the vibrator she had brought back with her.

But did she apply it to my pussy? Oh no! Not a chance. First she teased my nipple; then she toyed with my other nipple. The vibrations buzzed through my boobs and carried throughout my body, setting my pussy ablaze worse than ever. But she stayed as-

siduously away from any direct pussy pressure.

Next she ran the vibe up and down my thighs, lightly, teasingly, tormenting my body, which was totally tense with the strain of trying to come. I needed to come. I needed relief in the worst way. But she wasn’t about to give it to me.

“Is that your new dance?” she teased me as I lay on the floor, writhing and humping, contorting and jumping, wriggling and jiggling in heated need. “You need to practice that move a little more.”

“Get me off!!” I shrieked at her.

And—finally!—she did. I swear to you she barely touched the tip of the vibe to my quivering clit and I was exploding like a Roman candle.

“You wouldn’t say you were horny, would you?” she teased.

“I wish you weren’t getting married tomorrow!” I wailed. For all her teasing, for all the agony she had caused me, she had certainly been a very hot lover.

“Oh, my future husband is very understanding of my needs,” she laughed. “Give me your phone number.”

“When do you get back from your honeymoon?” I asked plaintively.

“Three weeks.”

“That’s not soon enough!” I gasped.

“Well, I can’t bring you along!” she laughed.

I’ve got over two weeks to go till Reenie gets back in town. Can I wait? I doubt it. My own vibrator is getting twice-daily workouts. But I want the real thing. Badly. Yesterday I got a postcard from her. “Having a wonderful time...and looking forward to more wonderful times.”

Erica can be a huge tease, but when it comes to sex and especially cock sucking, she doesn't joke around. Turned on, she takes Jay's dick in her mouth, eager to show off her sucking skills.

That's when her pussy got invaded as he was fucking her, and she took it all like a champ.

A woman with long brown hair is sitting on a stone ledge, wearing a black lace bra and black leather shorts with a zipper. She is wearing black leather boots and has her hand on her knee. The background is a palm tree and a stone wall.

It seems that the older I get the hornier I get. And the more I want to try something new. Not the same old sex in the same old, tired positions. There are very few men I'll let into my booty hole. It's the one thing that still has a bit of a taboo for me, even at my age. I remember the first time and that first forbidden sensation and I liked it. I thought it was supposed to be nasty and

Vanessa

wrong, but it actually felt pretty good and I know my partner wants it. What more do I need.

*my asshole is the very
best seducer*
